Career Summary

Australian B2B growth marketer with 15+ years building full-funnel programmes that turn pipeline into revenue. Hands-on across demand generation, performance media, content, events and lifecycle, with a sharp experimentation discipline and a CRM-first approach. At 90 Seconds, generated \$5M in B2B opportunities since June 2024 across paid, inbound and partner channels, and built the AI-powered GTM tooling that runs underneath. Earlier, delivered a 172% lift in B2B leads for an industrial SaaS client and 82x ROAS on a national paid search programme. Comfortable owning the number, leading from the front, and shipping the work.

Core competencies

- **B2B Demand Generation.** Full-funnel ownership in complex B2B buyer journeys. Paid, inbound, content, events, partner and lifecycle programmes. Pipeline and revenue accountability.
- **Growth Experimentation.** Hypothesis-led testing across channels, creative, audiences and offers. Performance read in days, not quarters.
- **Australian B2B Market.** Deep ATL, BTL and demand gen experience across Australian B2B sectors: SaaS, financial services, defence, professional services, tourism and higher education.
- **CRM and Marketing Operations.** HubSpot (expert), Salesforce-adjacent CRM workflows, attribution reporting, lifecycle automation and lead scoring.
- **Events and Community.** Speaker programmes, customer activations and community-led launches. Director of Digital Adelaide, SA's largest marketing event.
- **AI-First Marketing Practice.** Custom AI workflows for market intelligence, sales enablement and content operations. Builds with Claude Code and Replit.

Technical stack

- **Marketing and CRM:** HubSpot (expert), Salesforce-adjacent CRM, Google Analytics, GA4, SEMrush, Google Search Console.
- **Paid Media:** Google Ads, Meta Ads, LinkedIn Campaign Manager.
- **Lifecycle and Email:** HubSpot Marketing Hub, marketing automation workflows, lead scoring, nurture programmes.
- **AI and Automation:** Claude Code, ChatGPT, Gemini, Replit, custom GPT development for marketing workflows.

Experience

2023 – current | Head of Marketing at 90 Seconds

- Member of the Leadership Team, reporting to the CEO.
- 2 direct reports based in APAC. Work with marketing counterparts across US, UK and EMEA. 90 Seconds is a global B2B SaaS platform that empowers enterprise brands to create video at scale.

- Cover the full spectrum of growth marketing for a global B2B SaaS: GTM strategy, demand generation, performance, content, events and lifecycle. Carry the pipeline number.

Key achievements

- Generated \$5M in B2B opportunities since June 2024 across inbound, paid and partner channels. Marketing-sourced and marketing-influenced pipeline tracked end-to-end in HubSpot.
- Rebuilt the demand engine: paid search and social, organic content, lifecycle nurture and ABM-style outbound for named accounts. Continuous testing of channel mix, creative and offers.
- Delivered a full rebrand and new multilingual website in the first two months of joining, then optimised through structured experimentation. Improved organic traffic, conversion rate and lead quality.
- Architected a GTM OS internal operations tool with our VP of Product, integrating HubSpot and SEMrush data to automate market mapping and content coverage analysis.
- Built 90Labs in Replit, a live sales-enablement platform hosting 29+ active assets and a Pitch Builder tool currently in beta rollout with the global sales team. Initial signals promising.
- Run a quarterly experimentation cycle across channels, landing pages and email sequences. Performance read weekly via dashboards built in HubSpot and GA4.

2020 – 2023 | Digital Marketing Manager at Refuel Creative

- Member of the Leadership Team, reporting to the CEO.
